To help offset a one time registration payment, the Vernon Vipers Organization would be willing to enter into an agreement to spread the payment over either two or four payments. Please see information below for payment plans. You will be able to either make these payments on line using a Visa/Master Card or by mailing your payment to PO box 2241, Vernon CT 06066. Please send an email to the President and Treasurer if this will work for you.

Time Payment Options:

Two Payments equal to one half of registration fee:

First due upon registration
Second due before July 1st

Four Payments equal to one fourth of registration fee:

First due upon registration
Second due by May 1st
Third due by June 1st
Forth due by July 1st

Fund Raiser Option:

Each year VYF runs a mandatory fundraiser that all players must participate in. You can choose to use this as an avenue to pay all or part of the fees. For each dollar of fundraiser that is sold VYF generates approx .50 cents in donations. You can choose to sell an amount of fundraiser that would generate enough donations back to VYF to cover the fees. (example: registration fee of \$100. means you would need to sell \$200. to pay for the registration fee – this would be on top of the fundraiser obligation). If you choose to do this please let us know.

Financial Aid:

From time to time local businesses and others may contribute money to our organization for the scholarship fund. If there is money in this account we can divide it up among the players asking for financial aid. If financial aid is offered to your child, then you will still be required to fulfill the remainder of the registration fee as well as the fundraising obligation.
